15. HEARINGS I received from the Resource Management Staff (formerly the Intelligence Community Staff) a DoD note indicating that the House Appropriations Committee wishes to have the Director testify on the NFIP at 10:00 a.m. on 11 April, and have a CIA hearing at 10:00 a.m. on 13 April. I called Chuck Snodgrass, on the staff of the House Appropriations Defense Subcommittee, to check on the information (which is correct but tentative) and to ask if the 11th date could be changed as it is a Tuesday. Snodgrass said he would check with Ralph Preston, of the Subcommittee.
